**COMMENTS**

Al Boyd (Boyd), the petitioner, pursuant to Notice of Proposed Rule Making, **DA 03-53**, released March 4, 2003 ("NPRM"), hereby submits it's comments in support of the allotment of Channel 229A at Kermit, Texas as it's second local FM transmission service. In support thereof, the following is submitted:

Boyd hereby incorporates his original Petition for Rule Making in support of the proposed allotment. Boyd also restates its present intention to apply for 229A at Kermit, Texas, when allotted, and when authorized, to build a station promptly.

Due to a clerical error, our engineer Mr. Ashcraft & petitioner Mr. Boyd did not submit an affidavit verifying that the statements contained in the petition were accurate to the best of his knowledge as required by Section 1.52. Attached is the affidavit signed by Mr. Ashcraft, which the FCC requested in the NPRM. for the Kermit, Texas. Additionally, to rectify this omission, at the request of the FCC staff, has included a copy

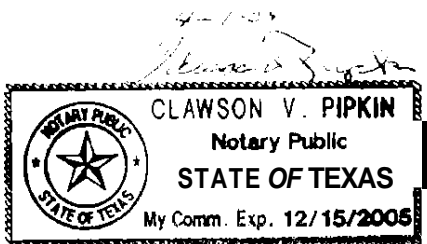

014

of the original PFRM with Boyd's signature and accuracy verification statement. The statement has also been included in the comments **below from Mr. Boyd.**

WHEREFORE. for the reasons above, the Commission should allot 229A at Kermit, Texas.

**The above statements are true and accurate to the best of my knowledge at the time of this filing. Additionally the statements made in the original PFRM are true and accurate to the best of my knowledge at the time of filing.**

Respectfully submitted,  
**AI Boyd**
